Par George Orwell : Animal Farm and 1984 before purchasing it in order to gage whether or not it would be worth my time, and all praised Animal Farm and 1984:

Description : Description du produitIn this Readers' Guide, Daniel Lea takes a decisive path through the maze of interpretations that has accumulated around Orwell's best-known novels, examining critical reactions from the beginning of the Cold War through to the collapse of Communist Eastern Europe, and at the same time placing Orwell within a long tradition of dystopian writings. In exploring the artistic, cultural and social contexts of Orwell's work, it is an essential resource for students and general readers alike.

Prsentation de l'diteurThis edition features George Orwell's best known novels 1984 and Animal Farm with an introduction by Christopher Hitchens. In 1984, London is a grim city where Big Brother is always watching you and the Thought Police can practically read your mind. Winston Smith joins a secret revolutionary organization called The Brotherhood, dedicated to the destruction of the Party. Together with his beloved Julia, he hazards his life in a deadly match against the powers that be.Animal Farm is Orwell's

classic satire of the Russian Revolution -- an account of the bold struggle, initiated by the animals, that transforms Mr. Jones's Manor Farm into Animal Farm--a wholly democratic society built on the credo that All Animals Are Created Equal. But are they?
