## Description :

Prsentation de l'diteurUtterly engaging.A novel of ideas, of big themes.William Boyd is a champion storyteller. - New York Times Book William Boyds classic Brazzaville Beach has been called as a bold seamless blend of philosophy and suspense [that] nevertheless remains accessible to general readers on a level of pure entertainment. (Boston Globe). Released to coincide with Boyds latest novel, Ordinary Thunderstorms, Brazzaville Beach tells the story of a British primate-researcher who relocates to war-torn Africa in the wake of her husbands tragic descent into mental illness. Intense, exhilarating, and engrossing, Brazzaville Beach is rich in action and thought, and William Boyd a writer who allows the scope of his work to expand to the point of bursting. (Los Angeles Times Book )Revue de presseUtterly engaging. . . . A novel
