But his world is shattered when Eliza is forced to marry his brother and James joins the army in despair. Whilst he is in the East Indies, Eliza is badly treated and she seeks consolation outside her marriage, leading to divorce and destitution. Returning to England, Brandon finds her in a debtors' prison. He rescues her from her terrible position, but she is dying of consumption and he can do nothing but watch and wait. Heartbroken at her death, he takes consolation from her illegitimate daughter, whom he raises as his ward. But at the age of fifteen, the young Eliza goes missing. Oppressed by the thought of what could have happened to her, he is surprised to find himself falling
