## Description :

Prsentation de l'diteurKafka Tamura runs away from home at fifteen, under the shadow of his father's dark prophesy. The aging Nakata, tracker of lost cats, who never recovered from a bizarre childhood affliction, finds his pleasantly simplified life suddenly turned upside down. As their parallel odysseys unravel, cats converse with people; fish tumble from the sky; a ghost-like pimp deploys a Hegel-spouting girl of the night; a forest harbours soldiers apparently un-aged since World War II. There is a savage killing, but the identity of both victim and killer is a riddle - one of many which combine to create an elegant and dreamlike masterpiece.\*\* Murakamis new novel is coming \*\* COLORLESS TSUKURU TAZAKI AND HIS YEARS OF PILGRIMAGE "The reason why death had such a hold on Tsukuru Tazaki was clear. One day his four

closest friends, the friends he'd known for a long time, announced that they did not want to see him, or talk with him, ever again. 'Revue de presse' 'If you've never immersed yourself in the wonderful world of cult Japanese writer Haruki Murakami you're in for a treat... This novel's central story of a teenage runaway and an ageing man surrounded by bizarre dramas, is as compelling as its predecessors. Magnificent stuff.' (Red Magazine) 'Murakami's tenth novel is as nutty, funny and silly as any of those that have come before it... Philip Gabriel's translation is carefully done and Murakami's prose is all the richer - and pleasantly weirder - for the translator's fidelity to it.' (The Times) 'What a magnificently bewildering achievement Kafka on the Shore is. Brilliantly conceived, bold in its surreal scope, sexy, and driven by a snappy and often comical plot, Murakami's new work delves into the congested inner workings of our selves with characteristic brio.' (The Independent) 'Kafka on the Shore is an ambitious and substantial new novel... The plot, wild as it is, doesn't waste any material, satisfyingly tightening the screw to the end. In short, this is a book which works in the most expert way.' (The Spectator) Presentation de l'auteur Kafka Tamura runs away from home at fifteen, under the shadow of his father's dark prophesy.
