Meet the zombies.Now, Sarah and David are fighting for survival in the middle of the zombie apocalypse. But just because there are zombies, it doesn't mean your other problems go away. And if the zombies don't eat their brains, they might just kill each other.Revue de presse'Married with Zombies' is a wonderfully entertaining read. The writing is witty, the characters are warm and funny and the story is suspenseful and exciting. The slight twist on the typical hero and heroine of zombie fiction makes this is a refreshing read and I highly recommend it to any zombie fan.'Book Chit
