## Description :

Prsentation de l'diteurRoxies on the run from a bad boyfriend who will not catch the hint that it is o-v-e-r. Shes in no mood for love at first sight, but when her eyes fall on Hank, its trouble from the get-go. Roxie tries to hold Hank at arms length but Hank wants to be a closer (as in, a lot closer). Roxies trouble catches up with her and Hank wants to help but Roxie knows in her heart that shes no good for a white hat guy. The problem is no one agrees with her, especially her crazy hippie best friend Annette or her parents; the even crazier small-Indiana-town Herb and Trish. Toss into the mix the gang from Rock Chick and Rock Chick Rescue and Roxie finds herself totally outnumbered. Climb in for another Rock Chick wild ride through

Rock Chick Redemption. As the odds stack up against Roxie, she has no choice but to hold on and just ride it out through the kidnappings, car chases, society parties, a riot at the strip club, Hank getting Mom Bombed and one crazy night at the Haunted House. During all this Hank works at convincing her she really wants to stay and he, along with the Hot Bunch, go all out to make her safe. Hank also needs to work on showing Roxie that her past decisions don't mean her future can't include something as downright delicious as normal. Biographie de l'auteur Kristen Ashley grew up in Indiana, but has lived in Colorado and the West Country of England. Thus she has been blessed to have friends and family around the globe. Her posse is loopy (to say the least), but loopy is good when you want to write. Kristen was raised in a house with a large and multi-generational family. They lived on a very small farm in a small town in the heartland and existed amongst the strains of Glenn Miller, The Everly Brothers, REO Speedwagon and Whitesnake (and the wardrobes that matched). Needless to say, growing up in a house full of music, clothes and love was a good way to grow up. And as she keeps growing up, it keeps getting better.
