Description :

Prsentation de l'diteurPhilip Kindred Dick (December 16, 1928 March 2, 1982) was an American novelist, short story writer, essayist and philosopher whose published work is almost entirely accepted as being in the science fiction genre. Dick explored sociological, political and metaphysical themes in novels dominated by monopolistic corporations, authoritarian governments, and altered states. Philip K. Dicks 1953 short story 'Second Variety' posits the ramifications of a human propensity for playing God, and for mankind's wanton disregard of the consequences of its technological innovations.
