Praise for *Seconds* The cartoonist, best known for the Scott Pilgrim series, delivers one of the most enjoyable reads I've had all year with this magical graphic novel. I dare you to not read it all in one sitting. Whitney Matheson, USA Today *Seconds* arrives with high expectations, and it meets them all, delivering the style and humor of [Bryan Lee] O'Malley's past works with greater emphasis on mood, detail, and complex character relationships. The A.V. Club Richly imagined and vibrantly drawn, *Seconds* is a funny, surprising, and enchanting read. Publishers Weekly In *Seconds*, Bryan Lee O'Malley plays the angst of youth against the fabric of a larger epic. In doing so, he enriches both. A great ride! Guillermo del Toro Bryan Lee O'Malley's *Seconds* is adorable, haunting, funny, and beautiful. A perfect recipe for a great graphic novel. Scott McCloud, author of *Understanding Comics* From the Hardcover edition.
