Description :

Prsentation de l'diteurThe Adult Years is a compelling look at adulthood as an opportunity for continual revitalization, reorientation, and positive change. In this revised edition, Frederic Hudson updates and refines his vision, reflecting the extraordinary challenges we all face in today's fast-paced, ever-changing society. Whether you are eighteen or eighty-eight, this classic best-selling guide will inspire you to unlock the power of personal renewal. Praise for the First Edition "The most compelling book ever written on personal transition and transformation. If you are concerned about your own renewal and the renewal of our planet, you must read this book."--James M. Kouzes, coauthor of The Leadership Challenge, Second EditionRevue

de presse "The Adult Years opens with a gripping story of personal suffering and recovery. It ends with a challenging curriculum for mastering our own self-renewal. In between are compelling and wise lessons about how adults empower themselves to live richer and more significant lives. The most compelling book ever written on personal transition and transformation. If you are concerned about your own renewal and the renewal of our planet, you must read this book." James M. Kouzes, coauthor, *The Leadership Challenge*
