Description :

Prsentation de l'diteurTen years on from Brightness Falls, Russell Calloway is still a literary editor although in a diminished capacity; his wife, Corrine, has sacrificed her career to watch anxiously over their children. Across town Luke McGavock, a wealthy ex-investment banker, is taking a sabbatical from making money, struggling to reconnect with his socially resplendent wife, Sasha, and their angst-ridden teenage daughter, Ashley. These two Manhattan families are teetering on the brink of change when 9/11 happens. The Good Life explores through the lens of catastrophe that territory between hope and despair, love and loss, regret and fulfilment. But ultimately this is Jay McInerney doing what he does best, presenting us with the life of

New York City in all its moral complexity.
