Description :

Prsentation de l'diteurThis exciting adventure story has achieved immortal fame thanks to the blockbuster film of the same name, starring Douglas Fairbanks-a cinematic triumph that inspired author Johnston McCulley to dedicate it to Fairbanks. It has since seen numerous film and other adaptations, including a full-cast audio drama featuring the voice talents of Val Kilmer, Ruth Livier, Elizabeth Pea, Armin Shimmerman, and Meshach Taylor. Set in Mexican California during the 1820s, the tale follows the career of Don Diego Vega, by all appearances just a timid and aristocratic dandy. But appearances can be deceiving, and this is nothing more than a mask to conceal his hidden side as a California Robin Hood known as Zorro, whose swift blade strikes down those who exploit the poor and oppressed. The Mark of Zorro remains a paradigm of swashbuckling adventure and a popular novel to this day.Prsentation de l'diteurThis exciting adventure

story has achieved immortal fame thanks to the blockbuster film of the same name, starring Douglas Fairbanks—a cinematic triumph that inspired author Johnston McCulley to dedicate it to Fairbanks. It has since seen numerous film and other adaptations, including a full-cast audio drama featuring the voice talents of Val Kilmer, Ruth Livier, Elizabeth Pea, Armin Shimmerman, and Meshach Taylor. Set in Mexican California during the 1820s, the tale follows the career of Don Diego Vega, by all appearances just a timid and aristocratic dandy. But appearances can be deceiving, and this is nothing more than a mask to conceal his hidden side as a California Robin Hood known as Zorro, whose swift blade strikes down those who exploit the poor and oppressed. The Mark of Zorro remains a paradigm of swashbuckling adventure and a popular novel to this day. Biographie de l'auteur Pulp-fiction author Johnston McCulley (1883–1958) began his writing career with magazine short stories, later moving on to novels and screenplays. His subjects ranged from crime thrillers to action heroes of Southern California, most notably Zorro, whose exploits have been repeatedly adapted for movies and television."
