## Description :

Prsentation de l'diteurI have no idea what to write about. Mr. Richard's wants us to write about our summer experiences. To me, that idea sounded extremely boring. Everyone's first journal entry was going to be exactly the same (pool parties, ice cream, and staying up late). Writing about my summer experiences wouldn't show off my creativity and amazing talent. No offense Mr. Richards but I have decided to choose my own topic. My journal entry will be a story including adventure, love, and heartache. It starts with my first day at a school in the 8th grade and how everything went crazy the moment I walked through the main doors...Prsentation de l'diteurI have no idea what to write about.
